

October, 2018

Letter from Cody - I wanted to invite you to the Long Beach Open Studio Tour 2018. In celebration of Long Beach's Arts Month as well as the National Arts and Humanities Month, myself and a forty-four other artists will open up our art studios to visitors for the LB Open Studio Tour. This is an excellent and interesting way to see unique home art studios. You will also have the opportunity to buy art directly from the artist, a really great way to save on one of a kind art.

The Tour is free, self guided and at your own pace. There is no ticket to buy. All you need is the Tour map that can be picked up at my studio or download from the website www.lbopenstudiotour.com. New this year, the tour is extended over three separate weekends. West Long Beach October 13th & 14th, East Long Beach 20th & 21st and a third weekend 27th & 28th is for artist who opt to open their studios for a second time. I am on the East side.
