

Long Beach Community Choice Energy Public Forum
Save the Date: April 24, 2018
6:00 PM – 9:00 PM

Come and Join the Long Beach Community Choice Energy Working Group and Conference Co-Chairs Vice-Mayor Rex Richardson and Councilmember Jeannine Pearce to participate in one of the most important discussions for our City's Future.

Objective: The informational objectives include:

- An overview of what Community Choice Energy (CCE) is and what has transpired in California to date.
- A presentation on existing and proposed CCE programs in CA and how these programs can support specific community values and priorities.
- A dynamic stakeholder conversation about our City's energy values and future.
- A discussion of our City's options, potential CCE risks and the process involved with joining or creating a CCE.

Who: CCE Experts who have hands on experience successfully operating CCEs, leaders of newly formed CCEs who are taking control of their regions' energy decision making, City Council Representatives, Port of Long Beach, as well as representatives of our community, industry, academia and environmental justice advocates.

Where: The Ocean Theatre at the Aquarium of the Pacific: 100 Aquarium Way, Long Beach. Enter through Gate 10 (To the left of the fish wall).

When: 6 PM to 9 PM

Parking: Park in the Structure. Parking will be validated to a reduced parking cost of \$8.
