

Rose Park Community Meeting

AGENDA

Change is Coming to Your Neighborhood

Panel Discussion: R2/R3 Zoning and Accessory Dwelling Applications

Background: Recent applications for additions, accessory dwellings and living units in historic districts reflect the economics creating change in our historic districts. The number of requests is not slowing down, and Rose Park Neighborhood Association wants to provide accurate information to its residents. We have asked individuals knowledgeable about historic preservation and zoning to speak on the Certificate of Appropriateness process, the historic guidelines, and related issues. Info@rpna.org

We are in this together folks!
Thursday May 10th 7pm-8:30pm
Luther Burbank School Auditorium
(north end of campus 501 Junipero)
Parking off Dawson
